

Santa Barbara, Cal.

My dear Admiral,

I was in San Francisco last Thursday to fill an engagement with the Big Ten University Club. Now I am spending the week-end with a friend at Santa Barbara, considered as the paradise on the coast. Then I shall show my wife the Grand Canyon, Pikes Peak, places where I have made on horse back when I was in my youth in this country. On my return to the east, I shall be pleased to pay you a visit.

Please remember me to Mrs. Hillekoetter and tell your young lady how much I regretted to miss her at the Bullitt luncheon.

Very sincerely yours,
